KIDS DESIGN COMPETITION

What a year we are having! Droughts, bushfire, a pandemic, lockdown. But from all these adversities, a lot of growth and knowledge has been born - with team work and looking after each other and the environment we can overcome many obstacles.

How to enter

Design an Unbreakable creature - inspired by our ability, as a community to work together through adversity and bounce back - that could be made in glass. Don't forget to give your design a name and use colour and labels to describe your design (where necessary)

Winning design

The winner of the design competition will be announced Friday 7th November on social media and winners will be contacted via email. The winning design will be made out of glass by a professional artist in a public demonstration as part of the Design Canberra festival on Saturday 14th November. To view the winning design being made in the Glassworks hotshop, please register your attendance as seats are limited. The finished work will then be displayed in our foyer for the remainder of November and then the winner will get to take home and keep his/her design!

Submit your designs by 4pm, Friday 30th October!
