2021 KIDS' DESIGN COMPETITION

Think of the word Connections, what is the first thing that comes to your mind? What are some things you can think of that keep us connected? What keeps us together even when we are apart? What types of connections are there? - with our families and friends, with the land in which we live, with the people from the land in which we live, with people from all over the world, with the planet, with the environment. Can we live without connections?

How to enter

Reflect on the word CONNECTIONS and design a creature that could be made in glass. This creature should be inspired by your understanding of this word and how CONNECTIONS are important to you.

Winning design

The winner of the design competition will be announced Friday 27th August on social media and winners will be contacted via email.
